How Did the Cold War Develop? Lesson 11: "ChChChanges"

Learning objectives:

As a result of today's learning...

All Learners:

Will be able to **describe** how the relationship between the capitalist west and communist east worsened, to **list** the events 1943-48 that contributed to this breakdown.

Most Learners:

Will be able to **summarise** how the relationship between the capitalist west and communist east worsened, to **use** the events 1943-48 that contributed to this breakdown and **show** how these events were linked.

Some Learners:

Will be able to **outline** why events between 1943 and 1948 led to a breakdown in relations between the capitalist west and communist east, **distinguish** which events link together in order to **construct** a clear explanation.

Learning objectives:

I know I will have made progress in my learning today if I can...

c) Explain why relations between the USA and USSR worsened in the years 1943 - 1948. (12)

Think about the question:

I have no confidence I can answer this question.

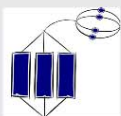

I can list causes that would help me answer this.

I can describe the causes that would answer this.

I can classify the causes and argue who was to blame.

I can do all of the above and feel I could link causes together.
