

March

US Society 1919 - 29: Chapter 1: Doormat to Flapper? The Changing Role of Women.

Learning Gain:

Will be able to discuss what life was like for women before 1920, be able to evaluate some changes which took place in the role of women and give well argued reasons for the changes.

Learning Steps:

- Reflect on our current understanding.
- Explore what life was like for Women pre 1920s.
- Investigate the changes which took place in the 1920s.
- Evaluate the causes of these changes.

Reflect and Connect

Make sure your last SOLO progress sheet is complete and that you have evidenced your start point on the new one.

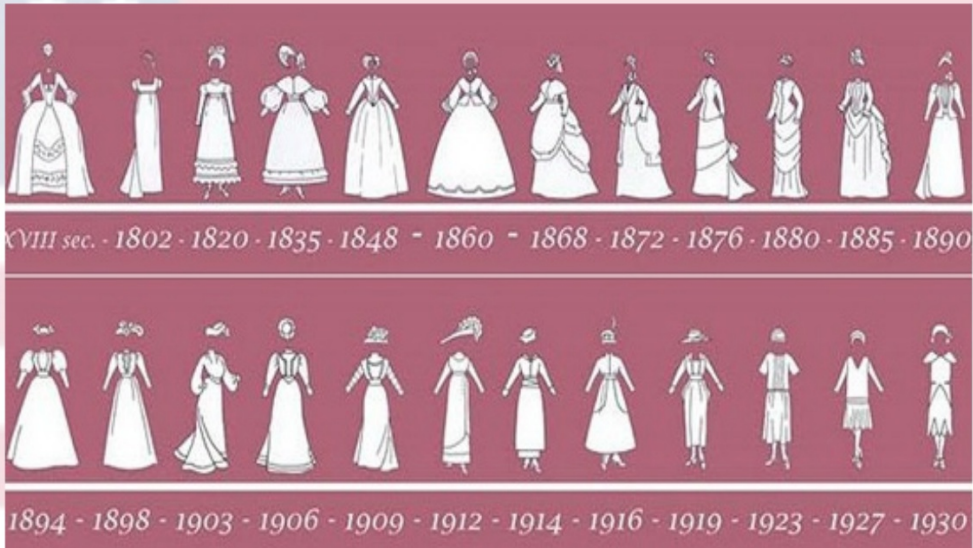

Six Mins

You have six minutes to complete your task - you limey learners!

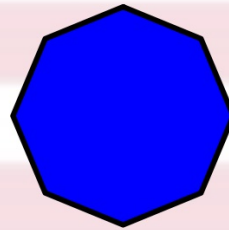

How did a change of underwear revolutionise women's lives in the 1920s?

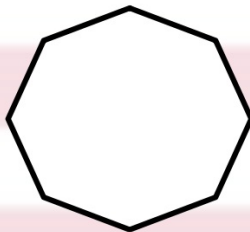

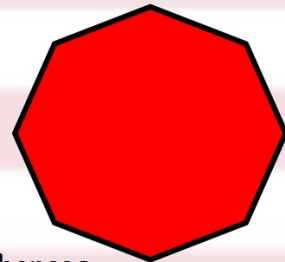

Watch the following video clip and make notes around the three bubbles below.

Life for women before the 1920s

Life for women after 1920.

Causes of the changes

Life for women before the 1920s

Main

Help...I can't breathe!!!

Life for women after 1920.

Main

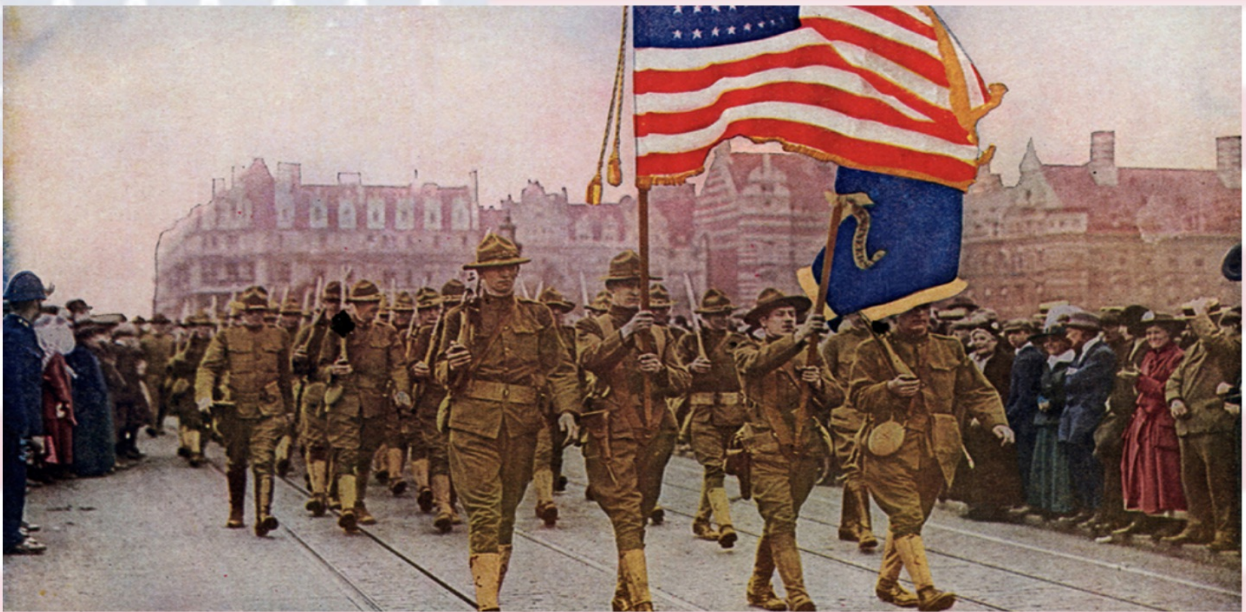

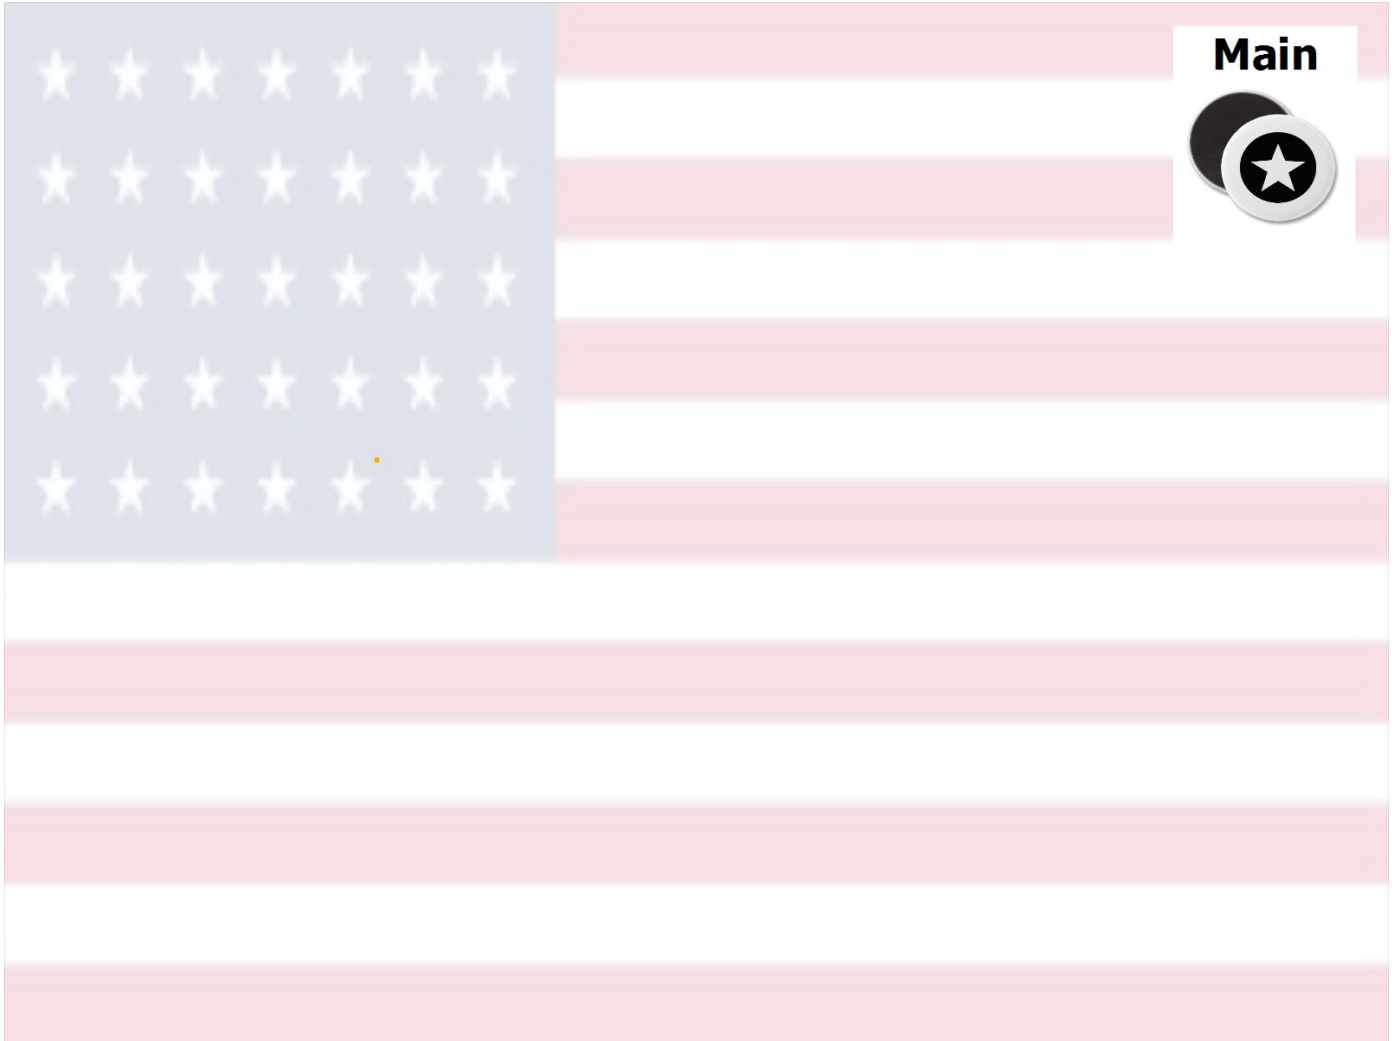

Get your knees out, get your knees out
get your knees out for the lads.

Reasons for the changes

Main

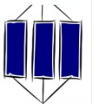

Main

Complete the boxes on your SOLO sheet for the before, causes and after...

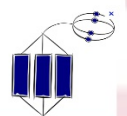

Look at the causes for change and rank your top 3 giving reasons for your choices.

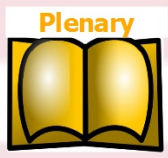

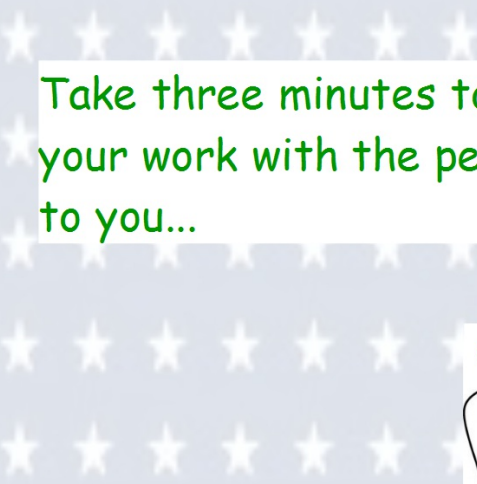

Write a short paragraph which compares and contrasts the life of a woman in the 1920s to her older sister who grew up 10 years before.

Think about your lives is there anything you feel that girls can do today that they couldn't do 10 or 20 years ago. What has caused these changes do you think?

Take three minutes to share
your work with the person next
to you...

Share Your Work
