Crime, Policing and Punishment
Chapter 5: Crippen - Successes and
Limitations?

Learning objectives:

As a result of today's learning...

All Learners:

Will have **thought** about the Crippen case which both demonstrates the successes and limitation of new technologies in policing and have **discussed** "Mr Walker's Cunning Plan".

Most Learners:

Will have **discussed** the Crippen case in light of successes and limitations of new technologies in policing and have **discussed** "Mr Walker's Cunning Plan".

Some Learners:

Will have **examined** the Crippen case in how it both demonstrates the successes and limitations of new technologies in policing and have **discussed** "Mr Walker's Cunning Plan".

Learning objectives:

I know I will have made progress in my learning today if I can...

Jack Dawkin's Poser...

Right my Tommy Tuggs...

**Have a right good gander at the
work you have done so far...**

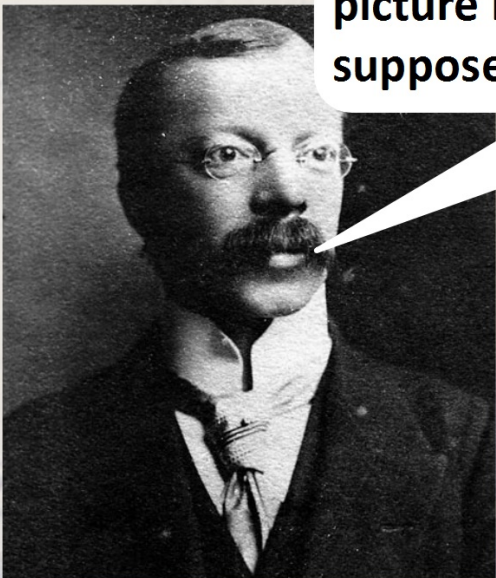

What questions or confusions would you like addressing?

Let's Review

Watch the following moving picture reel about what I was supposed to have done...

Those who aint back jumping gumps will be taking notes during the show...

Take 5 minutes to read the information provided on the Dr Crippen murder.

Do these in silence or the Overseer will 'ave yer.

Boys - please highlight all the evidence that used to prove Crippen's guilt.

Girls - please highlight any evidence that was not conclusive and any doubts about the evidence raised at the time or since.

Main

Evidence that convicted Crippen:

Concerns over the conviction:

What should we deduce and conclude about new technologies then from the Crippen Murder?
