

## USA: The New Deal 1932 -41: Chapter 8 - Reinforcing Learning

***Learning Gain:***

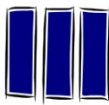

***By the end of this lesson I will have used SOLO Taxonomy to reflect on and progress my understanding of the Depression and Roosevelt's New Deal.***

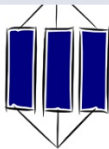

No idea - still not getting this at all!

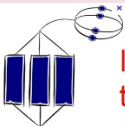

I can list some of the effects of the Depression, and some of the Alphabet Agencies.

I can describe some of the effects of the Depression and identify long and short term solutions provided by the Alphabet Agencies. I can retell why some individuals and groups opposed the New Deal.

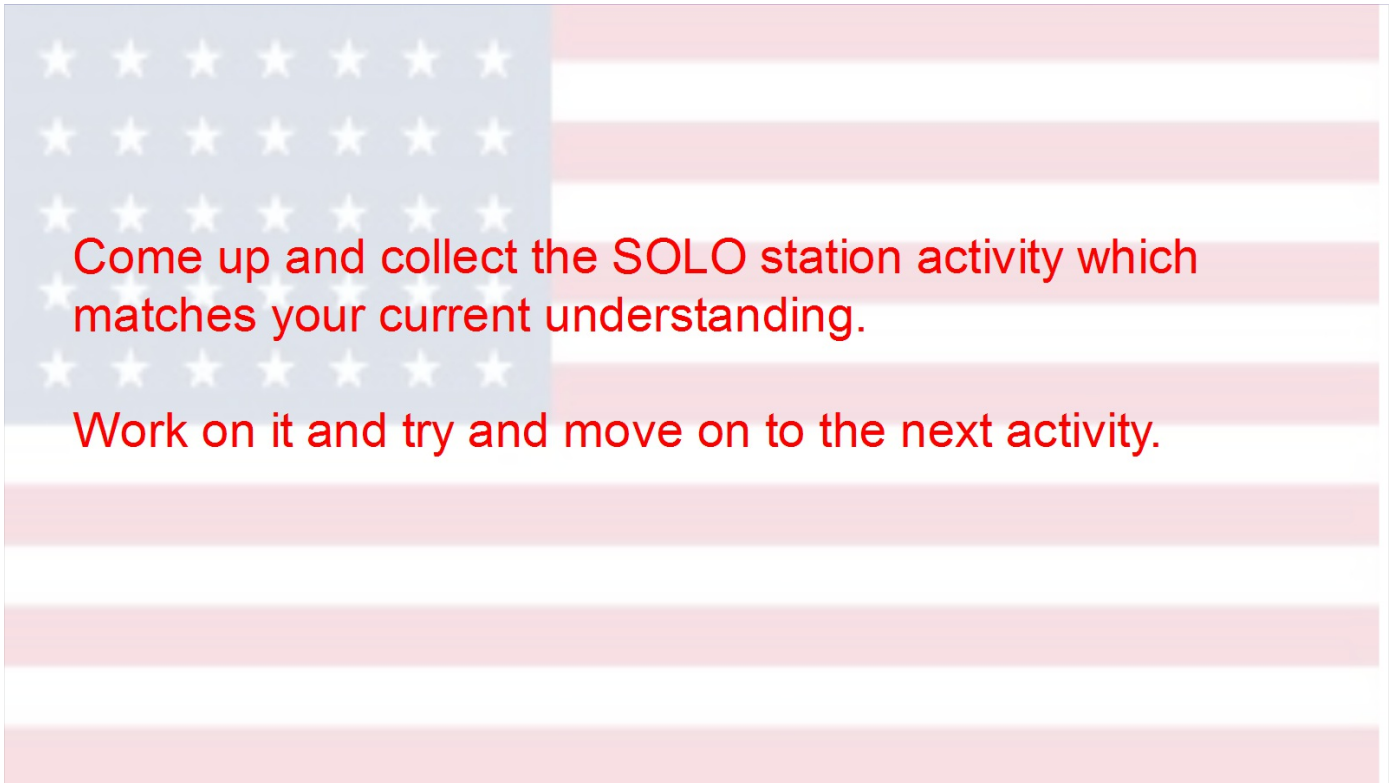

I can explain how different groups were effected by the Depression and link these groups to the specific AAs which tried to help them. I can link the New Deal to the cycle of recovery and explain why individuals and groups opposed the New Deal.

I can link causes, consequences and solutions to the Depression of the 1930s to the modern day economic problems.

Come up and collect the SOLO station activity which matches your current understanding.

Work on it and try and move on to the next activity.
